## Warriors Win Match in Westerly

Two Out of Three—Holdsworth of Westerly Scores for High Individual Prize—Owen Moran Has it on Frankie Neil—McGrath Matched to Wrest Collins.

On the Westerly allers Monday night the Norwich Warriors took a match in the duckpin league two games out of three, from Westerly team No. 1.  
The Westerly team took all the hon-  
ors. Holdsworth's high single 136 and  
double string of 305, as well as team  
total of 1395 to the Warriors' 1368, but  
the honors were empty ones, as they  
failed to win the match, as they  
lost the first game 100 to 110 and  
the second 110 to 110. Captain  
Harris beat them out by 5 pins. Tot-  
terly took the heart out of them with a  
double strike in the second game, but  
Holdsworth saved the last game for  
Westerly with his high single, espe-  
cially as the Warriors all fell off in  
their shooting.  
By winning the two out of three the  
Warriors are expected to take the lead  
from Westerly, but Captain Holdsworth  
told them his team still has a margin on  
them because of winning a match in  
New London about two weeks ago,  
which has escaped notice at this end  
of the league. Without counting this  
match the Warriors have a lead of 2  
points as shown below.  
The scores:

Norwich Warriors.			
Gleason	96	85	265
Gray	95	90	253
Murphy	100	90	290
Totterly	85	111	250
Harris	110	89	296
Karger	492	458	420

Westerly No. 1.			
Holdsworth	100	82	236
Payne	201	85	295
Arthur	82	72	225
Irvine	114	69	227
Bliven	89	100	225
McGrath	487	415	493
Collins	492	458	420

Holdsworth's mark of 136 gives him  
first claim on the prize for high single  
and unless it is beaten before the tour-  
nament is over he will pull down the \$75  
offered. C. Leroy Hill had the prize  
with a single of 137, but as he has  
withdrawn from the tournament Hold-  
sworth now stands good, with Collins  
of New London No. 2 second on a single  
of 134.  
The following is the standing with-  
out reckoning the games claimed by  
Westerly:

The Standing.			
Norwich Warriors	36	36	72
Westerly No. 1	28	16	704
New London No. 2	27	21	562
New London No. 1	17	21	324
Westerly No. 2	13	22	312
Norwich No. 1	11	28	262

**NEIL WAS OUTCLASSED.**  
Moran Puts Him Through the Ropes  
in the First-Spike Hickey Quits.

New Haven, April 26.—Frankie Neil  
of San Francisco fought twelve hard  
rounds with Owen Moran of England  
tonight. No decision was given, but  
Neil was outclassed from the start  
when he went through the ropes from  
a left hand drive by Moran. Time  
and again Neil looked as if he would  
be knocked out, but he came back and  
came back with a rush. Moran finish-  
ed without a scratch, but his opponent  
was badly cut about the face. The  
men were to have fought at 12 rounds,  
but Moran refused to weigh in and  
lost his forfeit. Neil weighed 121 and  
Neil looked to be many pounds  
heavier.

It was a whirlwind fight from be-  
ginning to end, both lads continually  
rushing. Moran, however, was able  
to use his left with success through-  
out the fight and he several times put  
the latter against the ropes. Neil  
played for Moran's ribs and stomach  
and in the clinches was handy with  
both hands. In the fourth Neil was  
knocked out, but came back and fought  
the fifth. In the last three rounds  
Moran hammered Neil savagely, but  
could not get the deciding blow.  
The two preliminaries were by local  
men. In the first, between Spike Hic-  
key and ...

## FINANCIAL AND COMMERCIAL.

**HEAVY UNDERTONE.**  
Disposition Manifest to Harvest Ac-  
crued Profits—Narrow Speculation.

New York, April 26.—There were  
symptoms of languor in the specula-  
tion in stocks today, and a disposition  
was manifest to harvest accrued pro-  
fits rather than to undertake renewed  
speculation. The selling pressure  
came pronounced when the market  
developed any show of strength, but it  
was not pushed at the severe cost of  
values until the last half hour of the  
day. This condition of affairs caused  
a heavy undertone rather than pro-  
moted weakness. Stocks were sold  
off freely during the first hour to take  
advantage of whatever new demand  
had come into the market over the end  
of the week. A heavy in the call mon-  
ey market is considered amongst the  
possibilities for the present week in  
connection with the preparations for  
the monthly settlements to be financed.  
The exigencies of lenders are not ex-  
pected to be severe and any marked  
change in interest rates would be ex-  
pected to bring prompt reinforcement to  
the money market from interior  
sources. The day's narrow speculation  
centered in the few stocks of the day,  
which were notably strong. Fluctua-  
tions in that stock were violent until  
it became known that the supreme  
court decision on the commodity  
clause of the Hepburn law was not to  
be handed down today. Less attention  
was paid to the stock afterwards. The  
London turned seller in this market,  
prompted, it was said, by the approach  
of the half monthly settlement of the  
London stock exchange. There were  
traces of anxiety in some of the for-  
eign markets over the still unsettled  
state of affairs in Turkey. The re-  
newed absorption of gold by Paris was  
illustrated in the taking of \$5,000,000  
in London for that account. News  
bearing on the coming wheat crop was  
regarded as favorable, but the further  
break in the wheat market lacked its  
stimulating effects on stocks. The  
London stock exchange was quoted as  
being for all maturities. The call mon-  
ey rate did not get above 2 per cent.  
The market distrust over the selling of  
securities which appeared on all favorable  
opportunities led to a general throwing  
overboard of speculative accounts in the  
late dealing and in the weak closing.  
Bonds were heavy. Total sales, par  
value, \$4,882,000. United States bonds  
were unchanged on call.
